

NIST

Global Standards Information

Resources on Standards, Conformity Assessment and Regulations

A Congressional Mandate

Under 19 U.S. Code, the Department of Commerce is assigned responsibility for operating:

- U.S. National Federal Standards Information Center
- U.S. National “technical offices” to support the World Trade Organization’s Agreement on Technical Barriers to Trade (WTO TBT) and U.S. Free Trade Agreements

The DOC has delegated these roles to NIST.

NIST Provides Expert Research Services and Resources

- Standards
- Technical Regulations
- Conformity Assessment Procedures

Inquiry Point responds bibliographically, not technically.

Do You Have a Standards-Related Question?

NIST can provide:

- Information on Standards
 - U.S. Industry, Federal and Military
 - Foreign Country, Regional and International
- CFR – Code of Federal Regulations
- Newsletters and Periodicals
- Recommended Websites

Do you need a standard for your research?

Standards We Can Provide For You Include:

- ANSI
- ASME
- ASTM
- IEC
- ISO
- NCSL
- NEMA
- NSF
- SAE
- UL

NIST Research That We Have Provided Standards Assistance

- Safety – Standards Tip Sheets for the Safety Office
<http://safety.nist.gov>
- Smart Grid Technologies – SG Standards Library
<https://wssts.nist.gov/sites/SmartGrid/default.aspx>

WTO TBT Inquiry Point

We work in partnership and collaboration with 153 WTO Member countries

- Notification authority for the U.S. sharing draft regulations affecting trade
- Inquiry Point Outreach
- Providing free service to Notify U.S. to United States exporters

Notify U.S.

****WARNING**WARNING**WARNING**WARNING**WARNING****

You are accessing a U.S. Government information system, which includes: 1) this computer, 2) this computer network, 3) all computers connected to this network, and 4) all devices and storage media attached to this network or to a computer on this network. You understand and consent to the following: you may access this information system for authorized use only; you have no reasonable expectation of privacy regarding any communication of data transiting or stored on this information system; at any time and for any lawful Government purpose, the Government may monitor, intercept, and search and seize any communication or data transiting or stored on this information system; and any communications or data transiting or stored on this information system may be disclosed or used for any lawful Government purpose.

****WARNING**WARNING**WARNING**WARNING**WARNING****

Welcome

Welcome to the **Notify U.S.** Web site. **Notify U.S.** is a free, web-based e-mail subscription service that offers U.S. entities (citizens, industries, organizations) an opportunity to review and comment on proposed foreign technical regulations that can affect their businesses and their access to international markets. This service and its associated web site is managed and operated by the [National Center for Standards and Certification Information \(NCSCI\)](#) an organization within the [National Institute of Standards and Technology \(NIST\)](#). NIST is part of the U.S. Department of Commerce's [\(DOC\)](#).

Purpose

The purpose of **Notify U.S.** is to collect and fulfill subscriber requests for information on [World Trade Organization \(WTO\)](#) Agreements relating to **Technical Barriers to Trade (TBT)**. Member countries of the [World Trade Organization \(WTO\)](#) are required under the Agreement on Technical Barriers to Trade (TBT Agreement) to report to the [WTO](#) all proposed technical regulations that could affect trade with other Member countries. The [WTO](#) Secretariat distributes this information in the form of "notifications" to all Member countries.

Subscribers

By subscribing to the **Notify U.S. Service**, U.S. entities receive, via e-mail, notifications of drafts or changes to domestic and foreign technical regulations for manufactured products. Included in the subscribers e-mail is a link to the [Notify U.S.](#) web site where they can read more information and order complete texts of the regulations for review and comment. At this time, the **Notify U.S. Service** is only available to subscribers who are U.S. citizens and individuals that are part of U.S. based organizations and industries.

Registered subscribers can access the **Notify U.S. Service** by entering an authorized Email address and password in the Sign In form. Any individual who needs access and does not have or been assigned an account and a password, can select this [Subscribe Link](#) to create an account for subscribing to this service. Subscribers that have forgotten their account and/or password or have had their account disabled, can use this [Forgot Password Link](#) to request that their account be re-enabled or their password reset.

Any unauthorized use of the Notify U.S. Service is prohibited.

Please use the **Sign In** form to access the **Notify U.S. Service** Web site.
