STEVEN MARGIS

Professional Biography

Steven Margis serves as Director of International Certification Programs for Underwriters Laboratories (UL) Inc. In this capacity, he serves as the Chief Engineer responsible for Program and Policy Management of UL's International Certification Programs including those for market access to Argentina, Brazil, the European Union, Japan, Mexico, New Zealand and Singapore. He also serves as strategic advisor on matters of global conformity assessment and new business offerings within UL.

Mr. Margis has over 20 years of experience in global conformity assessment matters and has previously served within UL as Manager of a variety of functions including: Market Access Solutions, US-NCB (National Certification Body) in the IECEE CB Scheme, US DENAN Conformity Assessment Body, Global Partner Network and Training & Consulting.

Mr. Margis currently represents the United States in the IECEE community as Co-Vice Chairman of the USNC/IECEE and US Senior Conformity Assessment Delegate to the IECEE Policy and Strategy Forum as well as a member and/or Convenor of various IECEE Working Groups.

Mr. Margis earned his Bachelor of Science Degree in Electrical Engineering from Marquette University in Milwaukee, WI USA.
